

Pre-Travel Veterinary Checklist for International Racehorses Traveling to Hong Kong

The following is a checklist provided to assist you in planning the trip to Hong Kong, and complying with the Hong Kong Jockey Club (HKJC) requirements. It is for your reference only.

If you have any queries, please consult the HKJC's appointed Hong Kong International Races representative in your country, or the HKJC's Department of Veterinary Regulation and International Liaison (DVR&IL) or Department of Veterinary Clinical Services for advice.

- | | <u>Completed</u> |
|--|--------------------------|
| 1. Ensure vaccinations are in order (Refer to the Horsemen's Handbook) | <input type="checkbox"/> |
| 2. Collection of blood sample for compulsory testing as required by health certification for importation into Hong Kong (Refer to the Horsemen's Handbook) | <input type="checkbox"/> |
| 3. Submission of <i>Medication Declaration Form for Racehorses Traveling to Hong Kong to Compete in International Races (MDF1)</i> to the HKJC's DVR&IL at least 7 days prior to departure to Hong Kong
(Remember to declare the last date of administration of any long acting / depot medication / hormone and to declare all medications and supplements even if the substances may not be considered to be prohibited substances in your home country.) | <input type="checkbox"/> |
| 4. Receipt of advice from HKJC's DVR&IL on the medication history | <input type="checkbox"/> |
| 5. Submit Elective Urine Sample for analysis for specific medications or contaminants at least 4 days prior to planned date of departure (optional) | <input type="checkbox"/> |
| 6. Consult HKJC on recommended withdrawal periods for essential medications | <input type="checkbox"/> |
| 7. At the time of the pre-travel veterinary examination for suitability to travel by the HKJC appointed veterinary surgeon 3 to 6 days prior to departure to Hong Kong: | |
| a) Provide vaccination documentation to the HKJC appointed veterinary surgeons | <input type="checkbox"/> |
| b) Update the <i>Medication Declaration Update Form for Racehorses Travelling to Hong Kong to Compete in International Races (MDF2)</i> | <input type="checkbox"/> |
| 8. Submission of completed forms to the HKJC's DVR&IL and receipt of approval to travel to Hong Kong | <input type="checkbox"/> |
| 9. Update of the <i>Post-arrival Medication Declaration Form for Racehorses Travelling to Hong Kong to Compete in International Races (MDF3)</i> on arrival in Hong Kong | <input type="checkbox"/> |
| 10. Presentation of any medications and/or supplements brought with the horse to the Hong Kong to a HKJC Veterinary Surgeon on arrival at the quarantine stables | <input type="checkbox"/> |
